Exhibiting artist **Philippe Guillaume** sits down with **Martha Langford**, Research Chair and Director, Gail and Stephen A. Jarislowsky Institute for Studies in Canadian Art, and professor in Art History at Concordia University. The dynamism and context of this discussion about the works being exhibited, research-creation practices and the historical interaction between these two disciplines will be heightened by professor Langford's role as both thesis advisor as well as her other professional responsibilities and distinctions.

Martha Langford, titulaire de la chaire de recherche et directrice de l'Institut de recherche en art canadien Gail-et-Stephen-A.-Jarislowsky ainsi que professeure au Département d'histoire de l'art de l'Université Concordia, s'entretiendra avec **Philippe Guillaume**. Son rôle de directrice de mémoire, entre autres responsabilités et distinctions, confèrera autant de dynamisme que de pertinence à cette conversation sur l'œuvre à l'étude, la pratique de la recherche-crédation et l'interaction historique de ces deux disciplines.
